

T650m TREADMILL

T650m Treadmill

KEY FEATURES

ECO-Powr™ motor uses up to 32% less energy than traditional motors while still delivering 5.0 hp of performance, saving facility owners up to \$3,000 on annual electricity bills

Equipped with medical/rehab specific features such as a 3% decline to 15% incline range, reverse speed up to 3 mph and adult and pediatric medical hand rails

MyFlex™ deck cushioning system delivers proportional cushioning effects regardless of user weight and is so durable it has a lifetime warranty

Large 22" x 62" belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static build-up
